

RYAN RAMDANE CHIKHI

Full Stack Web Developer | TypeScript / JavaScript

Paris, France | ryanekhikhi2004@gmail.com | <https://www.ryanchikhi.com>

PROFESSIONAL PROFILE

Junior Full Stack Web Developer with almost 2 years of experience building modern web applications. Specialized in the JavaScript / TypeScript ecosystem, with expertise in Frontend development (React.js) and Backend development (Node.js, NestJS, REST APIs). Comfortable with relational databases (MySQL, PostgreSQL), Git version control and CI/CD pipelines. Reliable, autonomous and curious, with a strong interest in AI tools applied to software development.

PROFESSIONAL EXPERIENCE

Lead Full Stack Developer: Les Simracers X (esports association)

December 2024 - September 2026

- Designed and developed custom Discord bots for full automation and management of esports championships.
- Built the organization's official website to boost its visibility, brand image, and media exposure.
- Provided technical leadership and operational management of the development team and project members.

Full Stack Developer, Apprenticeship: Tilkal, Paris

January 2025 - February 2026 (apprenticeship contract as part of the 3W Academy training program)

- Developed and continuously optimized a SaaS platform dedicated to product traceability.
- Maintained complex relational databases under PostgreSQL.
- Designed structured mock datasets to speed up and improve the reliability of acceptance testing campaigns.
- Wrote and executed integration test plans to ensure the robustness and quality of deliverables.
- Managed version control with Git/GitLab and set up CI/CD pipelines using GitLab CI.

Web Developer, Internship: Diligence

May - June 2023 (1st-year BTS SNIR internship)

- Developed and customized websites using the WordPress CMS.
- Built an admin backoffice with Express.js and Node.js.

Camp Counselor, Seasonal Position: C.C.A.S

October 2021 - October 2022

- Supervised and took full responsibility for groups of children (ages 4 to 12) during holiday camps in Strasbourg and Annecy.
- Designed and led engaging educational activities that fostered teamwork, autonomy, and responsibility.

EDUCATION
